

## Le Gaïac (Toiny -in the Hôtel Le Toiny)

This is one of our better hotel restaurants. It serves very beautifully presented expensive haute cuisine. Especially good is the Sunday buffet. You can go in a bathing suit, swim in their pool, change, have lunch, and enjoy a lovely place. This restaurant in the Hôtel Le Toiny offers fine and distinctive flavours of French Cuisine with a touch of inventive Creole cooking. A subtle orchestration of tastes and aromas, textures and décor. Great always for a special lunch or dinner - top service and good food! Please call for reservations 0590 27 88 88
